Step into comfort and style with this thoughtfully designed 3-bedroom + office, 4-bathroom paired home, perfectly blending modern finishes with functionality. Located in a quiet community with peek-a-boo mountain views, this home offers the lifestyle you've been looking for. The open-concept main level features beautiful wood composite flooring, a spacious great room filled with natural light, and designer light fixtures that add warmth and flair. The gourmet kitchen is the heart of the home, complete with quartz countertops, sleek shaker-style cabinetry, stainless steel appliances, and a large eat-at island ideal for cooking, entertaining, or casual meals. A flexible main floor office offers the perfect remote work space or can serve as a private guest room, located just off a stunning powder bath. Upstairs, enjoy mountain views from all 3 bedrooms, including a sun-drenched primary suite with 4 windows, a luxurious en suite bath with dual sinks, oversized glass shower with a bench, quartz counters, and a private water closet. Two additional bedrooms share a well-appointed full bath, and the convenient 2nd-floor laundry means no more hauling loads up and down the stairs. The finished basement is a rare bonus, offering a flexible space with a stylish bath featuring custom tile work. Whether you need a guest suite, rec room, home theater, or play space, this area is ready to adapt to your needs.
